## THE SCHOOL PRAYER

Where the mind is without fear  
and the head is held high; Where  
knowledge is free;  
Where the world has not been broken up into fragments by  
narrow domestic walls; Where words come out from the depth of  
truth;  
Where tireless striving stretches its arms towards perfection;  
Where the clear stream of reason has not lost its way into the dreary  
desert sand of dead habit;  
Where the mind is led forward by thee into ever--  
widening thought and action Into that heaven of freedom,  
my Father, let my country awake.

--- Rabindranath Tagore

### **Vande Mataram**

Is a poem by Bankim Chandra Chatterjee. The song's first two verses were given the official status of "national song" of the Republic of India.

Vande maataram..

## PLEDGE TO THE NATION

India is my country. All Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall strive to be worthy of it. I shall respect my parents, teachers and all elders and treat everyone with courtesy. To my country and all my people, I pledge my devotion. In their well being and prosperity alone lies my happiness.

## NATIONAL ANTHEM

Indian National Anthem was originally composed as a song Bharoto Bhagya Bidhata in Bengali by Guru Rabindranath Tagore. It was first sung on 27th December 1911 at the Calcutta session of the Indian National Congress. The complete song consists of five stanzas. On 24th January 1950, the first stanza of the song was adopted in its Hindi version by the Constituent Assembly as the National Anthem of India. The playing time of the National Anthem is approximately 52 seconds.

Jana gana mana adhinayaka jaya he Bharata bhagya Vidhata  
Panjaba Sindhu Gujaraa Maraha Dravia Utkala Banga  
Vindhya Himachala Yamuna Ganga Ucchala jaladhi taranga  
Tava subha name jage Tava subha asisha mage Gahe tava jaya gatha  
Jana gaa mangala dayaka jaya he Bharata bhagya vidhata  
Jaya he jaya he jaya he Jaya jaya jaya jaya he

### **English Translation:**

Thou art the ruler of  
the minds of all  
people dispenser of  
India's destiny,  
Thy name rouses the hearts of Punjab,  
Sindh, Gujarat and Maratha of the Dravida  
and Orissa and Bengal;  
It echoes in the hills of the Vindhya and Himalayas,  
it mingles in the rhapsodies of the pure waters of  
Yamuna and the Ganga and is chanted by the waves  
of the Indian Sea;  
They pray for thy auspicious blessings and sing thy praise.  
The salvation of all people in thy hands,  
the dispenser of India's destiny, Victory, Victory, Victory to thee.

#### PHILOSOPHY OF ASSESSMENT

At SV High, assessments are continuous and constructive in nature. While the assessment practice is grounded in the objectives and outcomes of the syllabi, our focus on nurturing the love for learning underpins our assessment policy. Student assessments are embedded in the teaching and learning process. The assessment activities are designed to inform instructions and provide evidence of learning for the skills and the concepts which the students are expected to master at each level. Each student is appraised more against his or her individual progress rather than against the class.

Continuous assessment occurs frequently during the school year and is part of regular teacher- pupil interactions. It is a powerful diagnostic tool that enables pupil to understand the areas in which they are having difficulty and to concentrate their efforts in those areas.

**16. Raising concerns:**

SV High is committed to high standards of education in a secure, calm and welcoming environment for its students. We recognize that this can only be achieved by a wholehearted commitment and support of the entire school community. Occasionally, situations will occur which prevent the fulfillment of these aims and give cause for complaint. Therefore, in the spirit of true partnership between parents, school and the community, we welcome suggestions, feedback, and views about the actions, omissions and conduct of staff employed at the school. As a first level escalation, parents can contact the class teacher to express dissatisfaction about any aspect of school either verbally or in written form. Every effort by the school will be made to resolve the matter at that point itself, however if it is not resolved satisfactorily, the next level of escalation can be made to the school coordinator. The school intends for the matters to be dealt with swiftly, fairly and openly without any prejudice.

### **SCHOOL DISCIPLINE**

Inculcating discipline amongst children is the most significant aspect of education and is not confined to school alone. Parents must co-operate with the school in observing the norms established by the school. Any difference of opinion must be deliberated upon with the school authority to suggest/ understand the rationale behind it. Any requested change will be implemented only after the approval by the school management. Until such time, the existing rule will apply.

The following behaviors will be considered as a grave act of indiscipline.

- Irregular attendance or unjustified absence from school
- Absence on celebration days, particularly on National Days.
- Habitual late coming.
- Not adhering to school uniform during school hours and during outbound trips.
- Irresponsible conduct in school.
- Unruly behavior in the school bus or outside when in school uniform.
- Damaging any item of furniture or fixture within school/ school transport
- Use of foul and unparliamentarily language
  
- Bringing items that disrupts the class/ school environment and /or are harmful in nature.
- Bringing cash or valuables to school. (Not more than

Rs. 100 is allowed as an emergency amount)

- Drive motorized vehicles within or outside the school without a valid license.

#### **Handling non-conformities:**

The school will not compromise on any breach of rules or misdemeanor that affects student's learning, wellbeing and the school's reputation. Our approach to handling non-conformities will include positive behavior support using Restorative disciplinary practices. This is a relational approach to building positive school climate as it fosters a sense of belonging, connectedness and willingness to change instead of fear, uncertainty and punishment.

The school will use its discretion and seek the child's permission to involve the parent in the disciplinary process. However this involvement will be non-negotiable if the behavior causes a potential harm to the child or others around him and warrants parent's inputs.

The school reserves the right to pronounce consequences in proportion to the act and the developmental stage of the child for repeated misconduct/ offences and a failed attempt with restorative disciplinary practices.

- Support your child to achieve the goals set by him/her.
